

What happens if my checked bag gets lost?

You are entitled to reimbursement if your luggage is misplaced, damaged, or arrives at the airport late. The airline may also compensate you for replacement and 'emergency' purchases. You can only make claims for emergency purchases made while you are without your luggage if it is delayed.

This entitlement to reimbursement encompasses package and business travel, as well as any instances in which the airline is responsible for problems involving your luggage while you are traveling. Package travelers may also be eligible for a discount for each day they are inconvenienced through baggage issues.

How should one proceed in the instance of misplaced luggage?

Before claiming lost luggage, you have to wait for another 30 to 40 minutes for the baggage to arrive. In the instance it gets misplaced, make sure to examine the nearby carousels and the area beyond your designated baggage claim zone. There are certain actions you can take to assist in getting your bag back if you can't find it yet.

You can head to the airline desk and provide the representative there with the information about the baggage. Try to be as specific as you can while presenting information. You must consider the material, any rips or tears, certain colors or patterns, and any other distinctive features of your baggage.

Check your address and contact information as well. This will allow your luggage to be delivered to you properly in the instance that it is discovered.
