

## **CAD and CAM Laboratory Equipment Manufacturers**

- CNC MILL TRAINER
- CNC LATHE TRAINER
- CNC PLASMA CUTTING MACHINE
- CNC ROUTER MACHINE
- FLEX TURN CNC LATHE
- MINIATURE LATHE MACHINE
- PRECISION EDM MACHINE
- CNC LASER CUTTING MACHINE

**For Bulk, OEM and Tender Supply**

EngineeringLabChina stands as a leading CAD and CAM Laboratory Equipment Manufacturer, delivering high-quality, precision-engineered solutions for academic and industrial training. As trusted CAD and CAM Laboratory Equipment Suppliers, we provide cutting-edge tools designed to enhance learning and innovation in mechanical engineering. Our advanced equipment ensures seamless integration of computer-aided design and manufacturing processes, helping students and professionals master real-world applications.
