

# Red Chilli Powder Exporters

[Red Chilli Powder Exporters](#) from India play a pivotal role in delivering the country's diverse and high-quality chilli varieties to global markets. Spices India, being a major producer of red chillies, offers a range of types such as the vibrant Kashmiri chilli, known for its deep red color and mild heat, and the fiery Guntur chilli, prized for its intense spiciness. Other notable varieties include the aromatic Byadagi from Karnataka, the potent Bhut Jolokia from the Northeast, and the flavorful Ramnad Mundu from Tamil Nadu. This exporter ensures that the unique characteristics of each chilli type are preserved, catering to culinary needs worldwide.
